

Hi everyone,

Homework assignment # 1 handout has been posted to moodle. Minor editing was made to the original handout for clarity after its first posting. The final version of the handout is now on Moodle. The homework is due at the beginning of class on Tuesday, February 4. Drop off your homework at the lectern at the beginning of class. Staple all sheets that you turn in and write your name on every sheet that you turn in. Please number each exercise. Do not rewrite the questions. Just provide the answers.
