

Hi everyone,

I have completed the grading and recording of the scores for the midterm exam. I have done a statistical analysis of the midterm score. It is available on Moodle. I have also posted the midterm exam grades to the Moodle grade book. I submitted your midterm evaluation to the registrar's office. It may take about twenty four hours before you will be able to view your midterm grade via your MyLSU account.

You may beginning picking up your graded midterm exam during my office hours, beginning tomorrow.
